SUBJECT: Michigan/TDD #R5-8303-03A #81
Saline/Hoover Universal-Die Casting Division

The subject site was inspected in 1981 by Thomas Lentzen (TDD #R5-8103-11A) and extensive information pertaining to groundwater and surface water quality is available in the file.

Since the REMFIT has already been to the site and analytical data is available, a site inspection is unnecessary.
